# Digital Photography 101

This course provides entry-level guidance for digital camera operation and basic image correction in the Apple Photos App and Adobe Photoshop. Instruction covers understanding basic camera operation, exposure controls (aperture, shutter speed, and ISO), image composition, lens choice, and using long exposures for low light photography.

Class meets Wednesdays, 9/15-11/3, 5-7 PM
**COST:** $120
**NOTE:** Students will need to bring their dSLR cameras and should be familiar with Apple computers.

**Coronado Adult Education Program will follow public health protocols consistent with industry guidelines for the K-12 school sector. Current guidelines require universal masking indoors regardless of vaccination status.**
