

Digital Photography

This six-week course provides an intermediate level of guidance for digital camera operation. Instruction covers image composition, exposure controls (aperture, shutter speed, and ISO), lens choice, and understanding long exposures for low light photography.

The first week we meet on campus and the five following classes will be held at various locations around Coronado. Note: The Coronado Adult Education Program will follow public health protocols consistent with industry guidelines for the K-12 school sector.

Coronado High School (Room# 309)
Wednesdays, 9/21 - 10/26, 6-8 PM
COST: \$90.00
